

## ENVIRONMENTAL COMMISSION MINUTES

January 14, 2020 7pm

Present: Chairman J. Wolfgang; J. Allen; D. Balassone; B. Davy; Councilman B. Geiben.

No minutes were available for approval.

Discussion of the proposed Town Waterfront Park. J. Wolfgang stated that it is the consensus of the Commission that a firm specializing in Park design be brought in. B. Geiben stated that there were many limitations to the park's use. It would only be for Day time use. No baseball diamonds or tennis courts. This would be a "Hard Park" as opposed to a "soft Park". Uses may include fishing and a kayak launch. J. Allen suggested that sledding in winter may be possible.

There was some discussion as to the appropriate use of the area of the buried lagoons once they had been capped by concrete. Should it be used only for parking or would a pavilion be acceptable.

Public Hearing/Informational Meeting planned for January 28 at the Town Seniors Center at 6pm.

J. Allen made a motion to adjourn, seconded by D. Balassone, carried.

Next meeting is Tuesday, February 11th at 7pm
